Truly a rare opportunity to own this 79.5 acre parcel only 15 minutes from town, on pavement, with a custom built home and an oversized double garage. The home is tastefully designed with a formal dining area boasting French doors to the large living room area which is accentuated with an attractive fireplace. The kitchen is bright and spacious with an electric counter top stove and wall oven and has a sliding door entrance onto a recently finished deck. There is a 3 piece bathroom off the main entrance, a 3 piece bathroom on the main floor along with a 4 piece bathroom in the basement which has a jacuzzi tub. The basement is fully finished and with all rooms being very spacious. The yard is nicely fenced with fox fence to keep predators away from buildings and small pets. There are 2 apple trees, flower beds, shrubs and a nice garden plot. The oversized double garage has a concrete floor and a large parking area out front. If the new owner desires the pasture can be rented out. This is a must see if the rural life is what is on your bucket list.
