Come on into your new home, where this unique home is currently set up as an AIRBNB, with both up and downstairs units averaging \$7,000/month in revenue. Wow!! Walk into the bright and well laid out floor plan in this well maintained 4 level split. Newer flooring throughout the whole house! Large living area with formal dining start out the main floor of this home. A very spacious eat in kitchen with lots of counter space, island and back door leading to a fabulous back yard finish off the main level. Upstairs find a large master bedroom with walk in closet and 3 piece en-suite, 2 more bedrooms and the main bathroom complete this upper level. The third level you will find large daylight windows to let in the natural light, a built in fireplace in the ample sized second living space, a large 4th bedroom, bathroom, and laundry space with the walk out to the second private entry. Level number 4! brings you a very large 5th bedroom, a second en-suite bath, a living space and an extra kitchen with corner pantry! How cool is that? Outside find a ton of perennials, trees, nice deck , dog run and a nicely done fire pit area to enjoy those summer nights! There is a double car attached garage to round this home off. What more could you want? Call today to set up your private showing of this wonderful home!
