LAKEFRONT LIVING IN HIGH RIVER — AND YES, IT'S AS GOOD AS IT SOUNDS. Quick possession available on this one-of-a-kind, renovated bungalow sitting directly across from Emerson Lake — where walking paths, skating, fishing, and evening strolls are just steps from your front door. If you need space, privacy, or room to entertain- this is your home! At nearly 2,400 sq ft on a single level — plus a fully finished basement — this is one of the largest bungalow footprints you'll find at this price point, anywhere. Escaping Calgary for more space, more value, and a better pace of life? High River is 35 minutes south — and this is the home that makes the move worth it. For those relocating from BC or Ontario, the value here is remarkable — it simply wouldn't be possible at this price in most major markets. The layout is warm and functional, the sunroom alone will stop you in your tracks — sun-soaked and versatile, it's perfect as a home office, art studio, or your favourite morning coffee spot. Host family gatherings in a home that was genuinely built for them, then retreat to a private, low-maintenance backyard where kids can run, dogs can roam, and you actually relax. Downstairs, the finished basement offers room for everyone and everything — a woodshop, wine cellar, canning space, a rec room, or all of the above. RV parking, an oversized double attached garage, newer furnace, hot water tanks, and central A/C round out a list of upgrades that new builds simply can't match at this price. Elevated for privacy and views, nestled in a mature neighbourhood with trees and nature— this home has to be SEEN to be understood. Growing families have space to spread out, and those looking to downsize never have to compromise on comfort or lifestyle. Everyone who walks through the door says

the same thing: "Wow." Find out why, book your showing today! "Wow! They did such a great job with the renovations, there's hardly anything I'd change" | "Even though this house is big, it still feels so cozy!" | "That VIEW!! I'd love to have my coffee here every morning looking over the lake"
