This beautifully maintained home is located in the Eldorado Estates, on the corner of a quiet cul-de-sac, giving you a large pie-lot that must be seen in person to truly understand. The kitchen features stainless steel appliances and granite countertops. 2 separate dining areas and 2 separate living rooms as well as another 2 bedrooms and bathroom round out the upper floor. Take note of this large layout, because as you head downstairs, you'll find almost an identical footprint ready for your own touch.
