Welcome to the Birkley 3 by Sterling Homes Calgary! Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. Welcome to this beautifully appointed 2025 specification home situated on a sunshine lot. The kitchen features a chimney hood fan with microwave wall unit, pendant lighting above the eating ledge, and a convenient walk-in pantry. The ensuite offers a fiberglass base shower with tiled walls, a tiled niche, and a bank of drawers for added storage. Fall in love with the maple railing with iron spindles that add the perfect finishing touch to this home. Photos are representative. Enjoy thoughtful upgrades throughout, including a side entrance, painted basement floor, larger basement windows, and added garage width. Relax by the electric fireplace with maple cap or step out onto the 10' x 12' rear deck complete with BBQ gas line. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
