Welcome to the Alder, a thoughtfully designed two-storey new build in the community of Diamond Ridge in Diamond Valley. Built by Albion, this home reflects a focus on quality construction, durable materials, and timeless design. The main floor features 9' ceilings and an open-concept layout ideal for everyday living and entertaining. The kitchen is finished with stone countertops, soft-close cabinetry, a large island, and an upgraded drawer-based lower cabinet system for improved storage and accessibility. A walk-in pantry adds additional convenience, while the dining and living areas open onto a large exterior deck. Upstairs offers three bedrooms, including a spacious primary retreat with a well-appointed ensuite and walk-in closet. The home also includes a full unfinished basement with excellent potential for future development and an oversized attached garage. Currently under construction, this home has an anticipated completion timeline of end of May. Photos are representative.
