Step into elevated condo living with this beautifully refreshed main-floor residence at London at Heritage Station—offering a rare, house-like feel with the convenience of direct exterior access, so you can come and go without ever stepping through the main building. Perfectly positioned with a pedestrian walkway to Heritage Station LRT, this location delivers unmatched connectivity alongside nearby shopping, dining, and everyday amenities. With Sav-On Foods right on site and accessible through the parkade, everything you need is truly at your fingertips. Inside, the unit has been thoughtfully updated and meticulously maintained. Enjoy a fresh, modern look with newly painted walls and cabinetry, complemented by new appliances—including a french door fridge and sleek induction cooktop range that brings both style and performance to the kitchen. The open-concept layout is enhanced by soaring 10-foot ceilings, granite countertops, pendant lighting, and an oversized kitchen complete with an eat-up bar and an abundance of cabinetry. The spacious living area flows seamlessly to a large private patio—ideal for entertaining, relaxing, or accommodating your pets in this pet-friendly building. Both bedrooms are generously sized, with the primary retreat featuring a 4-piece ensuite complete with a soaker tub and granite finishes. A second full 4-piece bathroom and in-suite laundry add to the overall functionality of the space. This well-managed building offers 24-hour concierge service for added peace of mind, along with a heated underground parking stall and the option for additional parking through the condo. Whether you're a first-time buyer, downsizer, or investor, this turnkey unit delivers comfort, style, and unbeatable convenience in one of the city's most connected locations.
