Welcome to this immaculate 2006 bi-level offering 1,643.58 sq ft, ideally located in Hillendale. Backing onto a picturesque pond, this property delivers year round enjoyment with winter skating and peaceful summer evenings spent on the deck overlooking the water fountain. This beautifully maintained home features 4 bedrooms 3 bathrooms, including a private primary retreat on its own level complete with abundant natural light, walk in closet, and a relaxing jetted tub ensuite. The main level showcases a warm and inviting living room with a gas fireplace, a spacious kitchen open to the dining area, and garden door access to the deck where you will find natural gas hook up for BBQ- perfect for entertaining. Two additional bedrooms and a 4 piece bathroom complete this level. The fully developed walk-out basement offers a large fourth bedroom, a generous family room, and a dedicated laundry space, providing excellent functionality for growing families. Recent 2024 upgrades include new exterior stonework, a covered deck roof, and modern glass railings. Additional highlights include central air conditioning, digital locks, smart heat and water sensors, dual sump pumps, outdoor fire pit, RV parking, and a built-in pressure washer in the oversized 23' x 25.5' heated garage. This exceptional property truly has it all-comfort, technology, and a stunning location. Motivated sellers.
