Located on a quiet crescent in sought-after SE Red Deer, this fully developed 4 bedroom walkout bi-level with two garages delivers space, style, and serious functionality. Step inside to a bright, south-facing living room featuring vaulted ceilings and durable vinyl plank flooring. The updated kitchen makes a statement with two-tone maple cabinetry, quartz countertops, tiled flooring, a black granite sink with garburator, pantry, and stainless steel appliances. The dining area opens to a sunny upper deck finished with newer Duradek and convenient gas lines for BBQing on both levels. The main floor offers 3 bedrooms, a 4-piece bath, including a spacious primary bedroom complete with double closets, a 4-piece ensuite, and direct access to the upper deck. The walkout basement is designed for relaxing and entertaining, featuring a large family/TV area, space for games, an additional bedroom, 4-piece bath, and a generous storage/utility room. Car enthusiasts and hobbyists will love the attached garage PLUS a heated detached garage equipped with 220V and even its own TV setup. Outside, enjoy a low-maintenance, fully fenced yard with poured concrete, storage shed, and minimal grass to keep upkeep easy. Comfort upgrades include in-floor heat and a new air conditioner (2025). Recent improvements also include furnace (2025), hot water tank (2023), Duradek (2023), quartz countertops & kitchen tile (2023), basement flooring (2023), and exterior seasonal strip lighting. Well-maintained, move-in ready, and located in a fantastic neighbourhood; this one checks all the boxes.
