On a quiet street in Wexford Estates, this is the perfect home for those looking for a little more space and room for everyone, and everything! Offers more than 4900 sqft of thoughtful and practical design. Freshly painted AND brand new carpet throughout, with a very smart floor plan and family friendly layout—the perfect to accommodate family and guests in true comfort. The main level has a practical and open kitchen with huge center island, walk through pantry and eating area, a formal dining room, separate home office/den, laundry/mud room, and a window lined family room with custom built-ins and cozy fireplace. The bright and open upper level features a spacious bonus room wired for surround sound, a loft area that is perfect for a homework or reading area, and 3 bedrooms including an amazing primary complete with walk-in closet, fireplace, dual sinks, air jetted tub and separate steam shower. The lower level has heated floors, full wet bar, recreation and games area, a 4th bedroom, full bath, exercise/playroom PLUS a theatre room. There is central AC, a Tesla EV car charger in the garage, and a landscaped and fenced back yard. Walking distance to elementary and junior high school and all amenities. Every element in every space must be viewed to be appreciated! Tour your new home, today!
