Welcome to #7 Cooperstown Place SW—an exceptional, meticulously maintained residence in the highly sought-after community of Coopers Crossing. Proudly offered by the original owners, this sophisticated 2,538 Sq Ft home blends timeless design with thoughtful, high-end upgrades, all set on a quiet, low-traffic street with a desirable sunny south-facing backyard. From the moment you arrive, the stunning stucco and stone exterior and undeniable curb appeal set the tone. Inside, you're greeted by an open foyer with an elegant, inviting staircase and 'ceilings that carry throughout the main level. The bright, open-concept layout is flooded with natural light from an abundance of windows, creating a warm and welcoming atmosphere. The heart of the home is the massive chef-inspired kitchen, featuring quartz countertops, extensive cabinetry, and generous prep space—perfect for everyday living and entertaining alike. High-end stainless-steel appliances, including a double induction oven, elevate the space, while the adjacent dining area comfortably accommodates a growing family. The living room showcases a beautiful stone surround fireplace, adding both warmth and character. A versatile main floor office/den/library with double French doors offers the perfect work-from-home setup or quiet retreat. Upstairs, you'll find a spacious and sunlit bonus room, convenient upper-level laundry, and three generously sized bedrooms. The primary suite is a true sanctuary, complete with a walk-in closet and a luxurious 5-piece en suite featuring a barn door entrance and quality finishes throughout. This home is equipped for comfort year-round with two furnaces and dual A/C units, along with a water softener and newer hot water tank. Custom built-ins and upgraded millwork throughout further highlight the attention to
