Welcome to this exceptional 80-acre property perfectly set up for horse or cattle enthusiasts, offering privacy, functionality, and a true rural lifestyle. Ideally located 20 minutes north east of Edson at the end of a no-exit road and bordered by Crown land on two sides. This property provides outstanding seclusion, recreation, and hunting opportunities. The 2010 modular bungalow on an ICF basement offers a bright and functional layout. The main floor features 3 bedrooms and 2 bathrooms, including a spacious primary suite with a walk-in closet and 4-piece ensuite with jetted tub. The open-concept kitchen, dining, and living area is perfect for everyday living and entertaining, complete with an island and direct access to the 28' x 14' wood deck. The partially developed walkout basement adds even more living space with a large fourth bedroom (with potential for an additional bedroom/office), a spacious family/games room, and a third bathroom roughed-in with materials included. A double-walled wood stove (2014) adds warmth and charm, while custom wood stairs and railing—crafted from timber sourced directly from the property, brings a unique, rustic touch. The attached garage is currently utilized as functional interior space, ideal for storage, a gym, or hobby area. This property is truly turnkey for livestock or equestrian use, featuring:
