Escape to the space, freedom, and quiet of country living on this beautifully set up 10.01-acre acreage—perfect for families, hobby farmers, or anyone dreaming of room to roam with a few horses in the pasture. Thoughtfully equipped for rural living, the property features perimeter and cross fencing, a barn, a quonset, and a massive 24' x 80' open-front steel machine shed. Additional outbuildings include a greenhouse, a gazebo, as well as a large arbor, great for barbecues. The yard is designed for enjoying the outdoors and is complete three garden plots ready for planting your annual vegetables. The 4-bedroom bungalow is bright, welcoming, and designed with family living in mind. The modern kitchen showcases white shaker cabinetry, a glass tile backsplash, bamboo-topped island with seating, and stainless steel appliances. The spacious living room offers plenty of room for oversized furniture and is filled with natural light from large south-facing windows. The main floor is complete with two bedrooms and an updated 4-piece bathroom featuring double sinks, while newer vinyl windows—triple pane on the south side—add comfort and efficiency. The basement offers a family room with a gas fireplace and oak-tile surround, two additional bedrooms, a den or storage space, and a 3-piece bathroom. A new furnace with central air was installed in 2025. A covered, insulated walkway connects the home to the heated 22' x 24' double garage, equipped with shelving and its own furnace—ideal for year-round convenience in Alberta's climate. Located near the welcoming community of Donalda, you'll enjoy access to a K-9 school, quiet surroundings, and beautiful views of the Meeting Creek coulee, all within an easy drive to Stettler and Camrose. Experience the lifestyle you have been looking

for&mdash;space, privacy, and the freedom to make it your own.
