Spacious and well-maintained acreage offering the perfect blend of comfort, functionality, and outdoor living! This property has seen numerous updates over the years, including a metal roof (approx. 10 years old), updated attic insulation, vinyl windows throughout, central air conditioning - and it was professionally lifted onto a new concrete foundation in 1996! The main floor is designed for both everyday living and entertaining - starting with the MUST have of any Alberta acreage - the mud room, which not only has its own wash sink, BUT also has in-floor heating! Into the beautiful and bright kitchen, which features stainless steel appliances, an island, abundant counter space, a coffee bar area, and large windows that flood the space with natural light. Enjoy the multiple living areas, including a dining space, cozy living room, and a sunroom/den with direct access to the deck. Finishing off the main level is a well-appointed 4-piece bathroom with a corner jet tub, tiled shower, and convenient stackable laundry. Upstairs, you'll find four bedrooms, including a spacious primary suite with a walk-in closet, along with a beautifully appointed bathroom featuring a soaker tub, separate shower, and elegant chandelier. The lower level provides excellent storage and utility space, with in-floor heat, a cold room, and an upgraded furnace (installed in 2015 & a new motor in 2026). Outside, this property truly shines - not only do you have plenty of interior entertaining space, but you have a large deck with a pergola as well as a concrete patio area for all your needs (complete with wiring for a hot tub!) The multiple outbuildings include a heated and powered detached garage, an additional garage (20x36), a shop (30x60) with in-floor heat, water, and an in-floor drain system, a bathroom w/laundry & two 12x32 covered overhangs for extra storage. There is a chicken coop with

power and heat, and another shed with power! Surrounded by mature trees and a well-established shelterbelt, the yard also features raspberry bushes and elderberry trees &mdash; offering privacy, beauty, and a true country lifestyle. A fantastic opportunity for those seeking space, versatility, and the comforts of acreage living &mdash; all ready for you to enjoy.
