Welcome to the Sophie by Partners Homes in Keystone Creek, a brand new pre-construction duplex in NE Calgary offering a well designed open floor plan with 3 bedrooms, 2.5 bathrooms, and a side entrance. This home is thoughtfully designed to provide functional living, modern finishes, and everyday comfort in one of North Calgary's growing communities. The main floor features 9 foot ceilings, knockdown ceiling texture, and a bright open concept layout centered around a spacious kitchen. Finished with full height cabinetry, quartz countertops, a tiled backsplash, and a large central island, the kitchen also includes a stainless steel appliance package and a chimney hood fan with built-in microwave. A gas line to the range adds flexibility for future upgrades. The dining and living areas flow seamlessly together, creating a comfortable space for both everyday living and entertaining. Upstairs, the primary bedroom offers a walk-in closet and a private ensuite featuring a tiled walk-in shower. Two additional bedrooms and a full bathroom complete the upper level, along with convenient upper floor laundry including washer and dryer. The basement features 9 foot ceilings and a side entrance, providing additional flexibility for future use. At the rear of the home, a 21' x 21' gravel parking pad with alley access offers off street parking and future garage potential. Front landscaping is included, allowing for a finished exterior once complete. Finished in a craftsman elevation, this home offers timeless curb appeal in Keystone Creek, a growing NE Calgary community with access to pathways, green spaces, and convenient routes to Stoney Trail, Deerfoot Trail, CrossIron Mills, and Calgary International Airport. A well designed pre-construction home offering a practical layout, upgraded features, and strong value in North Calgary.
