Step into this architect-designed two-storey home, built in 1980 and thoughtfully updated to blend character with modern comfort. The show-stopping living room features a dramatic 20-foot ceiling and an open-to-above design from the second floor, creating a bright and airy focal point you’ll love. Upstairs, you’ll find three bedrooms, each equipped with functional IKEA wardrobes and a 3 piece washroom. A stylish renovation completed in 2010–2011 enhanced the home with granite countertops, stone tile in the kitchen, custom cabinetry, and timeless subway tile in the bathroom. The semi-developed basement adds extra versatility, complete with a convenient lower-level laundry area and a half bath—perfect for growing families or additional living space. Outside, enjoy a fully fenced yard with plenty of room to relax, garden, or entertain. A unique two-storey shed offers exceptional storage or creative potential. Ideally located in Lac La Biche, this property is just minutes from Portage College, government offices, and the hospital—making it a fantastic option for families, professionals, or investors alike.
