A Rare Find! Why settle for city living when you can own your own private paradise just minutes from Red Deer? This luxurious 2.45-acre estate offers unparalleled privacy, elegance, and convenience. Enter through a stunning high-end entrance gate, equipped with cameras and an integrated security system for added peace of mind. A serene, tree-lined driveway leads you to this custom-built home, showcasing the finest materials and craftsmanship throughout. With 3,536 sq. ft. above grade, the home features multiple vaulted ceilings with knotty pine planks and maple-finished beams. The spacious living room boasts wide-plank white oak hardwood flooring, vaulted ceilings, a floor-to-ceiling stone-front gas fireplace with built-ins on either side, and large windows offering breathtaking views of the expansive acreage. The adjoining two-tiered back deck includes an additional gas fireplace, perfect for outdoor relaxation and entertaining. The home has been freshly painted throughout and is equipped with central air conditioning. The chef's kitchen is a dream, complete with floor-to-ceiling soft-close white cream cabinetry, granite countertops, a full tile backsplash, pot and pan drawers, under-cabinet lighting, high-end Monogram appliances, a six-burner gas range, a statement range hood, and a commercial-sized refrigerator. The massive island features leathered granite countertops and a lowered eating bar. The cozy dining area opens to the beautiful back deck, making it ideal for entertaining. A huge walk-in pantry adds even more convenience. The spacious primary bedroom is a true retreat, featuring a spa-like ensuite with a soaker tub, a massive two-person steam shower, dual walk-in closets, and separate vanities. The main floor is completed by an additional bedroom, a 3-piece bathroom, a private office, a laundry room, and a large

mudroom. Upstairs, you'll find a second bedroom with breathtaking views, a built-in window seat, and a 4-piece ensuite, along with an additional office. The massive family/games room features vaulted ceilings, a wet bar with a microwave and fridge, and a TV with 3D capability for ultimate entertainment. A second laundry room adds convenience to multi-level living. Car enthusiasts and hobbyists will appreciate the oversized attached triple garage (40' x 32'), complete with in-floor heating, hot and cold water taps, and ample workspace. The beautifully landscaped yard includes an upgraded driveway, an insulated shed (currently a cat/dog house), raised garden beds, two RV hookups, and an impressive 30' x 62' shop. The shop features a finished office, a 14-foot overhead door, and architectural details that complement the home. This property has seen approximately \$250,000 in recent upgrades over the past few years. If additional space is desired, the sellers have blueprints for both the house/shop, & plans for more bedrooms. The property is minutes away from golf, skiing & city amenities. This beauty won't last long!
