The living room and hallway feature solid hardwood flooring that could be refinished, while the remaining rooms have linoleum. The home has had some key updates over the years, including main floor windows (2024), furnace and central air (2014), roof shingles (2010), and new doors (2026). The main bathroom has been converted to a three-piece for accessibility. The basement includes two additional bedrooms, a recreation space, and a large laundry/mechanical room. The second bathroom requires work but has existing plumbing in place. Outside, there is an oversized double detached garage and a large backyard. Located in Forest Lawn, close to elementary, junior high, and high schools, as well as shopping, transit, and major routes. A good opportunity for buyers looking to update and add value.
