Attention Investors and Builders! Skip the red tape and take over this 4-unit townhouse project (2 front/2 back) in its final stages. This build features four detached garages with potential for legal suites above (subject to city approval). Current Status: Stage: Lock-out complete (Framing, Roof, and Lux windows/doors installed). Infrastructure: All new city utilities connected and storm drains installed. Next Steps: Ready for rough-ins, mechanical, and exterior finishing. The Advantage: Sold at 2023 land value, this project offers immediate equity. Finish it yourself or hire the current builder, SNG-Development Group, to complete the project at cost. Estimated completion is just 4–5 months. Maximize your ROI with a quick turnaround!
