Imagine waking each morning to endless prairie skies, where quiet surrounds you and nature sets the pace. Just outside Calgary, near the hamlet of Delacour, this exceptional 22.4-acre hilltop estate offers a rare blend of peaceful country living and convenient city access. Sweeping views include nearby golf course and across open landscapes in every direction, providing privacy, space, and a truly elevated lifestyle. Set on a gentle rise, the home is perfectly positioned to capture natural light through the day while maintaining exceptional privacy. A spacious foyer welcomes you into a warm interior defined by thoughtful upgrades and timeless comfort. The chef-inspired kitchen featuring premium Wolf and Sub-Zero appliances, anchors the main level and is designed for both everyday living and effortless entertaining. Multiple living spaces include two inviting lounges, a formal dining room, and a bright breakfast nook that frames peaceful outdoor views. A private office with custom built-ins, functional laundry room, 3-piece bathroom, and a generous games/family room with fireplace and wet bar complete the main floor. Upstairs, three spacious bedrooms provide comfortable retreats, complemented by a spa-inspired bathroom featuring a steam shower and deep soaker tub. The basement expands the living space with a large recreation area ideal for hobbies, crafts, work, or relaxation, along with multiple storage rooms, built-in shelving, a cold room, and a well-equipped utility area with modern water filtration, cistern systems, two furnaces, and air conditioning for year-round comfort and peace of mind. Outdoors, the beautifully maintained grounds invite entertaining, gardening, and quiet evenings around the fire pit. An enclosed hot tub offers year-round relaxation just steps from the home, while open spaces provide room for children to play freely and

enjoy the outdoors. This land is exceptionally versatile-ideal for a hobby farm, horses, livestock, or a self-sufficient rural lifestyle. Previously used for cattle, horse boarding, and hay production, it is well-equipped for a wide range of agricultural uses. A partially heated garage, shop, and barn include equipment space, a heated tack room, horse paddocks, and additional storage. An attached greenhouse provides multi-season gardening, while steel-fenced paddocks with shelters, and multiple outbuildings support equestrian, livestock needs, and hay storage. A riding arena and dugout further enhance the property's functionality, while two wells, buried water lines, and a reliable domestic water and septic system ensure strong infrastructure already in place. South-side placement of structures also offers potential subdivision opportunities, subject to approvals. This is more than a property- it is a lifestyle defined by space, freedom, and connection to the land. Experience country living at its finest. Take the 3D virtual tour and explore the views for yourself.
