Beautifully updated corner 1020 sqft bungalow in a prime location directly across from a school and playground. This well-maintained home features 3 bedrooms on the main floor, a 4-piece bathroom, convenient main-floor laundry, and a spacious living area filled with natural light from large windows. The basement offers a separate entrance with 2 bedrooms and a rented illegal suite configuration, ideal for extended family or rental income potential. Major renovations completed in 2016 include upgraded windows, drywall, insulation, siding, and roof improvements. The oversized heated garage is a standout feature with a heavily insulated ceiling, 10-foot ceilings and additional ceiling storage space for seasonal items and equipment and numerous windows for added brightness. The kitchen features warm espresso cabinetry, stainless steel appliances, and a sleek tile backsplash for a modern touch. The functional U-shaped layout offers excellent workflow, generous counter space, and abundant storage. A large window overlooks the backyard, filling the space with natural light, while bright lighting enhances its warm and welcoming feel. Additional highlights include RV parking, a gas line for BBQ hookups on the porch and a backyard concrete patio area perfect for outdoor entertaining and relaxation.
