If you are looking for an acreage to raise your family or a space to start a business, or to just live in the privacy of 4+ acres and still be close to town, have a look at this multi-faceted property with lots to offer. At over 1800 square feet on the main level, 5 bedrooms - 3 on the main floor - & 3 bathrooms, there's plenty of room for kids, guests, renters, you name it. The Family sized kitchen has a functional layout with pantry and tons of cabinets, with a formal dining area and breakfast nook as well. The living room has a gas fireplace and lots of room for gatherings, with windows galore to maximize brightness. The Primary bedroom can easily accommodate a king sized bed & there is a 3 piece ensuite & walk in closet with sliding doors to the deck for morning coffee. 2 other bedrooms on main floor are a good size as is the 4 piece bathroom. The laundry room/back entry offers lots of space to kick off shoes & coats, a sink and storage and there is entry from the oversized garage. Gigantic family room in basement with big windows, 2 big bedrooms & a 4 piece bathroom. Lots of storage area, a cold room & handy separate stairwell to garage offering all sorts of possibilities. The oversized garage has infloor heat & work shop area. The wrap around deck allows you to enjoy the park-like landscaping from all angles with lots of room for kids to roam! Numerous ornamental trees create a peaceful setting and attract a wide variety of birds. With such close proximity to town, you have the best of both worlds! The zoning is Highway Commercial so there is potential for business & creative planning. A beautiful property that really must be seen to be appreciated!
