This turnkey, 23-stall equestrian facility features an indoor riding arena, 17 paddocks, and 2 homes, with all the infrastructure necessary to operate a successful boarding, training, and show/event business. This property would also suit a home based boat/car storage facility, or some other use that needs massive indoor and outdoor space. The main home has been professionally renovated and offers 2,145 square feet above grade, plus a fully developed basement. The second home is a 2-bedroom mobile, perfect for extended family or a live-in caretaker or staff member. There are multiple structures on the property, including 3 buildings with indoor stalls, a shavings storage building, and equipment storage. The main barn is attached to the indoor riding arena and includes 6 stalls, 4 wash stalls, an office area, and a tack room equipped with individual lockers for boarding clients. A nicely elevated viewing lounge offers spectacular views of the arena. The outdoor paddocks are well equipped with steel rail fencing, automatic watering systems, and shelters. There is also space for a 200' x 200' outdoor riding arena, along with approximately 10 additional acres that can be used to suit your needs. Ideally located within a 10-minute drive of Calgary's Stoney Trail Ring Road, this property offers exceptionally easy access for you, your clients, and your guests.
