THE LIFESTYLE: 8011 isn't just a house, it is an opportunity to have a life well-lived. Quality materials such as the beauty of the natural granite stone countertops in the kitchen and bathrooms, floor-to-ceiling slate surround gas fireplace, and wooden balustrade, subtly add to the quiet ambiance of the home. Picture your mornings beginning on a sun warmed, east-facing patio, overlooking a green space as the neighbourhood quietly stirs, coffee in hand, with the day full of promise. You spend your evenings gathered around a gas fireplace in a living room that feels welcoming as it is warm. Round out the nights with relaxing baths in your luxurious tub to wash away the day's stresses, and prepare you for restful sleeps. You'll have peace of mind for years to come with the recent investment of \$40,000 in upgrades - new mechanical systems, superior insulation, and triple-pane windows - keeping Calgary's winters firmly outside where they belong. The developed basement provides you with choices for whatever life brings

next: a growing family, a home office, gym, or a place for guests to feel genuinely at home. Your weekends are now spent on the extensive trails of Nose Hill Park, with sweeping views of the city, just minutes from your front door. Conveniently exit your oversized primary bedroom through your french doors leading directly to the backyard, where you'll enjoy the crackling sounds of a summer night's bonfire. A wide street with ample parking means convenience for guests during gatherings. Proximity to local amenities such as restaurants, shops, and the grocery store, means less time commuting and more time creating wholesome meals in your spacious kitchen. With numerous school options, quick access to Deerfoot Trail and Centre Street, and an active community association, Huntington Hills in Northwest Calgary is where roots are meant to be put down.
