Tucked away in a quiet cul-de-sac, this spacious Monterey Park home sits on one of the community's larger pie-shaped lots, offering a rare combination of space, privacy, and outdoor living. With a functional family-friendly layout and an exceptional south-facing backyard, this is a property that offers both immediate comfort and the opportunity to personalize over time. The grand covered front entry welcomes you inside, where vaulted ceilings and large windows create a bright and inviting atmosphere throughout the formal living and dining areas. At the heart of the home, the kitchen and breakfast nook overlook the backyard and connect directly to a covered deck, making it easy to enjoy outdoor living throughout the seasons. A few steps down, the family room features a cozy wood-burning fireplace and large windows framing views of the beautifully landscaped yard. Outside, the south-facing backyard is truly the star of the property, with mature fruit trees, seasonal flower beds, a covered deck, a second sun deck, and plenty of room for family gatherings, gardening, or simply relaxing outdoors. Upstairs, you'll find a spacious primary bedroom with vaulted ceilings, a walk-in closet, and a private ensuite, along with two additional bedrooms and a full bathroom. The finished basement adds additional living space, a full bathroom, and plenty of storage. Recent updates include the furnace and hot water tank. Located close to schools, parks, shopping, and major routes, this is a fantastic opportunity to own a well-located home on one of Monterey Park's most desirable lots.
