Excellent opportunity to acquire a well-established daycare business in a prime SW Calgary location. Operating since 2016, this licensed childcare facility has a capacity for 28 children and is situated in a busy commercial plaza. The centre is licensed as a Group Child Care Program, offering childcare services as well as before-, during-, and after-school care for kindergarten-aged children. The licence covers children from 19 months to 6 years of age. The sale includes Montessori materials and educational equipment, all of which are included in the asking price. The business operates as a for-profit daycare and benefits from the Alberta Affordability Grant program. Monthly rent includes operating costs, providing a predictable occupancy expense. Please do not approach staff or visit the business without an appointment.
