Welcome to 2008 Waterbury Road, an exceptional luxury residence and a former SHOWHOME in the heart of Chestermere's coveted lake community. From the grand double-door entry and professionally landscaped front yard to the oversized triple-car heated garage with temperature control, every detail has been carefully considered. Inside, two rare open-to-above spaces create a sense of grandeur rarely found at this price. Natural hardwood flooring flows throughout, complemented by upgraded glass railings, rich wood detailing, and designer wallpaper in the primary bedroom and formal dining area. The main kitchen features a double-door refrigerator and premium appliances, paired with a dedicated spice kitchen offering custom cabinetry and an additional fridge. A main-floor bedroom with 3-piece ensuite is ideal for guests or extended family. Upstairs, four generous bedrooms each include walk-in closets with custom organizers. The primary suite impresses with vaulted ceilings, a private balcony, double-door entry, and a spa-inspired 5-piece ensuite. A vaulted bonus room and upper-floor laundry complete the level. The brand-new fully finished basement suite (illegal) features two large bedrooms, a full kitchen with dishwasher, 3-piece bathroom, in-suite laundry, and a private side entrance, making it ideal for rental income or multi-generational living. Additional highlights include two high-efficiency furnaces, an energy-efficient heat pump, built-in surround sound throughout, blackout and sheer blinds, a custom built-in feature wall at the entrance, and a built-in speaker system. Quick access to Waterford Boulevard, downtown Chestermere, and major Calgary highways. 7 bed | 5.5 bath | 3,526 sq ft above grade | 1,549 sq ft finished basement | Triple heated garage | Spice kitchen | Basement suite with private entrance | Surround sound | Heat pump | Lake
