Established Health & Wellness Hub – Step into a turnkey wellness business located within a prime, high visibility, commercial location of West Grande Prairie, right besides Costco. With this rare opportunity to acquire goHealth, a highly regarded destination for natural nutrition and specialized health services. This fully operational venture offers a seamless transition for the new owner with experiences staff in place. Featuring a proven dual-revenue model that combines a retail storefront with a robust, e-commerce platform reaching customers beyond the Peace Region. The business was built on a foundation of operational excellence and has been going strong for 16 years. Including established relationships with premium health brands, a sophisticated inventory management system, and a dedicated space designed for professional wellness consultations such as Iridology, Live Blood Analysis, and Biofeedback. With a deeply loyal local customer base, a strong digital presence including an educational wellness journal, this turnkey package provides everything needed to maintain consistent cash flow and continue fostering a reputation for community-focused wellness excellence from day one. Buyer could also benefit from an attractive lease.
