A brand new modified bi-level in Timberstone. The front entryway greets you with high ceilings and decorative metal spindle railings. Ceiling height kitchen cabinets are accented by quartz countertops, full tile backsplash, decorative shelves, an eating bar island, stainless steel appliances, including a gas stove and a fridge with water and ice and a pantry. The dining room has a patio door out to the large deck with aluminum railings. The living room is flooded with natural light through the oversized windows overlooking the backyard. There is main floor laundry for your convenience, complete with a sink. There are two bedrooms on the main floor (all closets with mdf shelving) & a 4 piece bathroom with quartz countertops. Follow the stairs up to your king sized primary bedroom that features a walk in closet & 5 piece ensuite with double sinks, quartz countertops and a window. The basement is ready for your development with a separate basement entrance. The home has luxury vinyl plank flooring throughout. Features: triple pane windows, upgraded lighting package, an oversized garage, roughed in underfloor heat & a high efficiency hot water tank.
