The functional kitchen features a moveable island, allowing you to customize the space for everyday living or entertaining as well as custom pull-out drawers. Three bedrooms and a full 4-piece bathroom complete the main floor. Enjoy year-round comfort with central air conditioning, plus the peace of mind that comes with a high-efficiency furnace and hot water on demand, both replaced approximately five years ago. Newer vinyl windows throughout add to the home's energy efficiency and value. The separate side entrance leads to a developed basement offering excellent flexibility. It features a spacious living area, a large kitchen, a 3-piece bathroom, and an additional room that could easily become a legal bedroom with the addition of a compliant egress window, making it an ideal setup for extended family or future income potential (subject to City approval). Outside, you'll love the fully fenced backyard with a ground-level deck, perfect for summer BBQs, relaxing in the sunshine, or watching the kids play in the green space beyond. The rear lane provides convenient access and future garage potential if desired. Whether you're a first-time buyer, growing family, or investor, this well-maintained home offers exceptional value in a fantastic location close to parks, schools, shopping, transit, and major commuter routes.
