4-bedroom, 2-bathroom home in desirable Highland Park! The main floor features 3 roomy bedrooms, a full bathroom, classic kitchen, and comfortable living room, plus brand-new carpet in all three bedrooms and the hallway. The partially finished basement offers plenty of possibilities, including a large bedroom with a kitchenette and its own ensuite bathroom—great potential as a mortgage helper (currently an illegal suite) or rec room with a wet bar! You’ll also find a huge storage room with shelving and an unfinished room that could become a future 5th bedroom. Outside, enjoy the huge, private backyard with mature trees, two storage sheds, and back-alley access with a gate for RV or toy parking—and keep your eyes peeled, as you may even spot a few bunnies! Several windows have been upgraded to vinyl, including the upstairs bedroom windows and kitchen window. Highland Park is an excellent location, just 4 blocks from Muskoseepi Park, within walking distance of 3 schools, and less than a block to Lions Park playground and Splash park, an incredible family destination. ** DO NOT USE TOILETS OR SINK, WATER IS TURNED OFF**
