On the quiet east end of Edson, you'll find this family friendly townhouse complex that backs onto a greenspace. This 2 storey, 3-bedroom, 1 bathroom unit features an open concept main floor with a spacious kitchen with plenty of storage space and an island, a living room and a dining space as well as access to the back deck and the basement. The upper level hosts a large primary bedroom with a walk-in closet, a full 4-piece bathroom, and two additional good-sized bedrooms. The unfinished basement offers loads of potential for your design ideas. There's the utility and laundry areas, a space for another bathroom to be developed and there's a large open area with windows at both ends that could host an additional bedroom and a family room. The covered front porch entrance and the back deck offer spaces for enjoying the outdoors. This unit has recently been painted and is in move in condition. A great opportunity to get into the real estate market. Property is sold "as is/where is".
