A LOCATION THAT WORKS FOR YOUR PRACTICE The property is ideally positioned directly across from the busy Christie Crossing shopping plaza, providing excellent visibility and convenient access to surrounding amenities. The location is also approximately 500 metres from the 69 Street CTrain Station, offering an important transportation advantage for patients, staff, and clients who rely on public transit. Save time. Reduce upfront costs. Start operating sooner! This exceptional turnkey medical office provides the functionality, professional environment, accessibility, and existing infrastructure that today's healthcare practitioners are looking for—all in a highly convenient West Calgary location, surrounded by mature communities with high income. **KEY FEATURES INCLUDE:** Approximately 3,400 SF of turnkey medical office space with large windows providing abundant natural light Professionally designed medical build-out, including 2 operative rooms, additional recovery room, 2 bathrooms plus multiple sinks in various locations. Large glass-enclosed boardroom suitable for staff meetings or private client consultations Bright atrium leads into the dedicated reception and patient waiting area. Functional consultation and treatment areas with rear administrative/workstation area. Staff kitchenette for meals and break time with convenient Washer/dryer set up in the mechanical room, and not to mention already outfitted with medical gas lines. Efficient layout maximizing usable square footage, while offering convenient access from both the parkade and elevator access for patients mobility. Patients can park in the 22 shared parking stalls available in the upper parking area and access through the main floor entry way. A rare opportunity to secure a premium medical build-out without the time, expense, and uncertainty of starting from scratch.
