Custom-Built Retreat on a 12,000-Square-Foot Lot Backing onto Environmental Reserve Lovingly maintained by its original owner and used primarily as a recreational retreat, this exceptional custom-built home has been lightly lived in and shows clear pride in ownership. With no pets and no children, it remains in outstanding, move-in-ready condition. The thoughtfully designed floor plan offers an inviting open-concept living and dining area centered around a stunning two-sided fireplace, creating a warm and welcoming gathering space. Large windows frame peaceful views and fill the home with natural light. Upstairs, the spacious primary retreat includes a luxurious six-piece ensuite and generous walk-in closet. The large bonus room offers flexible space for a family room, studio, or additional bedroom. The office area is also roughed-in for future bathroom. Step onto the expansive deck and take in views of mature trees and the property's private natural setting. Set on a remarkable 12,000-square-foot lot backing directly onto an environmental reserve, the home offers a rare sense of privacy and connection to nature. The oversized garage can accommodate up to four vehicles, or two vehicles with ample room remaining for storage, recreational equipment, or a workshop. Beneath the deck, a heated workroom offers additional space for hobbies, projects, or storage. Surrounded by timber accents and mature trees, the beautifully landscaped lower patio creates a secluded outdoor oasis. A gas fireplace makes it an inviting setting for relaxed evenings with family and friends. The lower level expands the home's versatility with two large bedrooms featuring walk-in closets, a sauna, a wine room, a cedar-lined closet, and a spacious laundry area. Zoned for a legal suite with a separate entrance, it also includes a roughed-in kitchen. Newer appliances complement the

home's quality construction, while meticulous upkeep throughout reflects years of careful ownership. A rare combination of privacy, quality construction, flexible living space, and meticulous condition, this one-owner home is equally suited to year-round living or use as a quiet retreat. Its exceptional natural setting makes it a distinctive opportunity for buyers seeking comfort, space, and privacy.
