Freshly renovated and never lived in since the work was completed, this three-bedroom bungalow is bright, inviting and ready for its next owners. The south-facing front brings morning sunlight into the spacious living room, while the separate dining area offers room to gather. The new kitchen features white cabinetry, quartz countertops, a subway tile backsplash, a new microwave and a new dishwasher. The renovation includes new flooring, carpet, paint, windows, doors, light fixtures, electrical outlets and a new bathroom. Large closets throughout provide plenty of storage, and central air conditioning adds comfort. All three bedrooms and the four-piece bathroom are on the main floor, which offers 1,062 sq. ft. of above-grade space. The fenced backyard has mature trees, a storage shed and room to enjoy the outdoors. A double detached garage provides parking and additional storage. Set in a very quiet neighbourhood, the home is close to two schools, a child care centre, a playground and shopping.
