ONE OF THE MOST PRIVATE AND SHELTERED LOTS ON THE ELBOW RIVER. 620 Rideau Road is a remarkable property offering refuge from inner city bustle. Presenting a westerly back yard orientation, the property is well treed and quietly borders the Elbow River. The back neighbour is the richly treed Elbow Park Island, serving as a nature screen from noise, traffic and overlooking:.....Just you and the river suspended in nature. While this property is priced for lot value and re-development, the home may offer some interest to those with historic tastes. Built in 1930, the residence is largely in original condition. Its craftsmanship showcases the elegance and charm of a prominent domicile during the early 20th century. In 1993 a family room on the main and primary bedroom/ensuite on 2nd level were added to the rear. The home has a full unfinished basement. The property has no Restrictive Covenants and has RC-1 zoning. Home and content are being sold in 'As is-Where Is' condition: No Representations, No Warranties. Situated in the desirable community of Rideau, having a highly rated K-9 School, this location also offers a high walking score to shops, restaurants, downtown, Glencoe Club and Talisman Center. If you envision a private retreat in the heart of Calgary, this may be your unique opportunity.
