Welcome to 189 Tuscany Valley Way, a 2-storey home in a family-friendly community known for its welcoming neighbours and outstanding amenities. A beautiful mature tree offers welcome privacy for the freshly painted front porch and living room, creating a lovely sense of seclusion from the street. New luxury vinyl plank (LVP) flooring extends throughout almost the entire main floor, including the kitchen, which also features freshly repainted cabinetry and a generous pantry. The fridge, dishwasher and range were all replaced in 2021. A convenient main-floor laundry closet with a shelf and a dryer replaced in 2021 adds everyday ease, while the half bathroom is tucked just off the kitchen. Upstairs, 3 bedrooms include a spacious primary with a large walk-in closet and ceiling fan; it was painted about 2 years ago. The full bathroom upstairs features a tub/shower combination and a skylight replaced in 2018. Downstairs, the developed basement offers a rec room with the TV shelving unit included, an office or play nook, and a 4th bedroom with its own ensuite and tub/shower combination. Step outside to a fully fenced yard with lawn, a shed, a kids' playhouse and a generously sized deck, perfect for relaxing or entertaining, with a custom wooden BBQ bar conveniently located beside it. A double detached garage off the rear lane completes the package. Shingles were replaced in 2018, and the garage shingles in 2026. Just one block from Tuscany Club, enjoy year-round recreation including a winter hockey rink and skating oval, summer splash park, playground, gymnasium with seasonal programs and activities, basketball and tennis courts, skatepark and private event spaces. The home is also about 2 blocks from an elementary school and a middle school, a short walk to shopping, and a short walk or drive to the Tuscany LRT station, with multiple

schools nearby.
